

Request for Sponsorship

Thank you for your interest in Redwood Credit Union (RCU) sponsoring your organization's event or effort. So that we may consider your request, please submit the requested information in our form below **at least 90 days in advance**.

As a not-for-profit financial cooperative, RCU is committed to serving the greatest needs of the communities where our Members and employees primarily live and work. The best way to ensure we're meeting these commitments is through thoughtful planning. In partnership with many throughout our organization, we plan our community program and budget in autumn for the upcoming year.

We have a small amount of funds available for opportunities that arise throughout the year. Interested groups are welcome to submit requests for consideration. Please complete this form thoroughly so that we may evaluate your request. Feel free to use additional pages if the below space limits your ability to respond thoroughly.

Instructions regarding how to submit your request are outlined on page 3. If you choose to email your completed application, please remember to "Save As" your document and send to us as an attachment.

We look forward to considering your request. You may be contacted for additional information.
